EDITOR'S LETTER

Phew! Well, I hope you're all managing to deal with this lockdown business alright, and have got your heads around getting digital copies of the mag (at least until we finally manage to get these issues back on the shelves). If you have, you'll be rewarded with another bumper crop of cuties, all doing their darnedest to keep you suitably diverted, with the likes of Holly Gibbons, Elle Hunter, Kiki Daniels and Georgie Darby pulling out all the stops. If that doesn't do the trick, surely nothing will!

LOCKDOWN LOVE-IN

Dear *Mayfair*,
Like a lot of other people my age, the only way I can afford to live in London (well, Croydon) is to houseshare, which can be pretty inconvenient but which does, I've discovered this month, also have certain advantages. I share a smallish semi with Josh and Melanie, and one of the worst things about the arrangement is being an unwilling witness through the bedroom wall to Mel's energetic sex life. She's a long-legged brunette with a gorgeous body who never seems to go short of a male companion after an evening clubbing, and although I've been desperate to shag her ever since she moved in, I'd always figured that it might complicate the domestic arrangements… and besides, I was pretty sure I wasn't really her type.

Anyway, when this lockdown was suddenly announced in March, Mel immediately found herself short of any male attention, and it wasn't long before she started to get restless. We were in the kitchen one Saturday afternoon about two weeks in, discussing the strange situation we found ourselves in when she just blurted out, "God, the worst thing is I'm desperate for a proper shag! Wanking's all well and good, but it's nowhere near as nice as the real thing!"

'You're telling me!' I thought, but at the same time it occurred to me that I was perfectly placed to scratch her itch. Josh, who's gay, gave me a rather sly look across the table, which I took to mean the very same thought had occurred to him as well.

"Well," I said, half jokingly, "I'd be more than happy to help out in that department!"

"It's a deal!" she immediately replied, leaning forward and, running her hand up my thigh, giving my cock a squeeze through my jeans, making it instantly throb into life.

> HER PEACHY ARSE LOOKED SO INVITING, WITH HER PUSSY LIPS JUST BEGGING TO BE PLUGGED.

PAPER CHASE

Dear *Mayfair*,
I understand as wall as anyone that these are strange times we're living through, but as an unreconstituted fan of analogue media, I'm concerned that I'm forever going to have a gap in my precious *Mayfair* collection (which stretches back some 11 years now) because you haven't been able to release the last couple of issues in print. Will there be any way us fans of the print version of the magazine will be able to order paper versions in due course? I do hope so!
Martin, Tonbridge.

Well Martin, yes – it's good news. We do intend to release the issues that have thus far only appeared digitally in print form once things have settled down a bit and we can be sure of distribution etc, so with a bit of luck you won't end up with any gaps in your impressive collection! – Ed.

NICE-OLATION!

Dear *Mayfair*,

I just wanted to drop you an email to say a big thank you for helping to keep me going doing what's turned out to be an extended period of self-isolating. I've been able to download several of your latest issues onto my tablet, and I have to say, the likes of Krystal, Imogen, Bexi and the delicious Sybil have really helped me to pass a few of the long hours very pleasantly indeed, if you know what I mean!

Please pass on my heartfelt thanks to all of the lovely girls who, month in month out, make *Mayfair* one of the regular treats I can always rely on!

Ian, via email.

"First though," she said, "I'm a bit grungy, so I'm going to have a shower. Maybe you'd like to join me?"

Josh sighed and made some comment about how he'd have to make do with a cup of tea as Melanie took me by the hand and led me up to the bathroom.

Needless to say, I wasted no time in getting out of my togs as she switched on the shower and peeled off her T-shirt to reveal a beautifully pert pair of boobs. Pulling down her jeans and panties, I copped an eyeful of her curvy arse and shaven snatch before, taking my hand again, she pulled me into the shower cubicle. It was a bit snug in there for two of us, but as the warm water cascaded over our bodies she turned her back to me and I ran my hands over her tits, feeling her nipples stiffen beneath my fingers while she pushed my swollen cock between her thighs, letting it press up against her hot, wet pussy.

I was desperate to fuck her there and then, but it seems she wasn't kidding about wanting to get clean, so we spent a wonderful few minutes smearing shower gel over each other, making sure not to miss any nooks and crannies, until we were both spotless and ready to get down to business.

Turning the shower off, she turned and, after slipping her tongue into my mouth for the filthiest kiss I've ever had, she grabbed my aching prick and said, "I don't think I can wait to get dry – I need that cock of yours right now!"

I was in complete agreement, and as we stepped out of the shower she leant forward, resting her hands on the side of the bath, and told me to fuck her.

Her peachy arse looked so inviting, all glistening and damp with her swollen pussy lips just begging to be plugged, and, without any further ado, I grabbed hold of her hip with one hand and fed my prick into her with the other. She was so wet is slid right in up to the hilt, my balls thrilling as they came to rest against her slippery flaps.

I was so turned-on I knew I wasn't going to last long, but I did my best to make the moment last, starting slowly and watching in awe as my cock slid in and out of her steaming slot.

She must have known what was on my mind, because she pushed her arse back against me and said, "Come on – I don't want a slow romantic screw, I want a good hard fucking!"

And so that's what I gave her, driving her forward and making her wail as I started slamming into her, her slick twat enveloping every inch of my prick until I felt a tingling in my balls and knew I was on the verge of coming.

"Oh God!" I heard myself gasp as I felt the sap rising, and, unsure what to do, I pulled out and grabbed my cock. Melanie wasted no time in spinning round and, sitting on the edge of the bath, grabbed it herself, guiding it towards her mouth as the first jet of spunk flew out. She looked like she was in her element as I fired was after wad of hot jizz, first over her face and then, as she closed her lips around my throbbing helmet, deep into her mouth.

I just stood there, breathless, as she set about sucking and licking my cock clean, getting every last drop of my spunk before she wiped up the gobbets that had landed them on her face and feeding them into her mouth as well.

"Mmm, I haven't tasted spunk for ages – I'd forgotten how much I love it!" she murmured, almost to herself. This filthy talk made my spent cock give a little throb, which she noticed. "So do you reckon you could give me a longer fucking now?" she asked, looking up, and I grinned, telling her I'd certainly give it my best shot!

With that, and not even bothering to cover up, we scampered off to her bedroom. Mel, who's clearly not a shy girl, threw herself on the bed and, spreading her legs wide, asked if I fancied a snack. I sure did, and I got down beneath her splayed thighs, marvelling at the sight of her slick, splayed snatch with its delicate, pink folds glistening. For a while I just teased them with my fingers, prising them apart to reveal her gleaming bud, which I rubbed with my thumb, making Mel squeal with delight.

Leaning forward, I flicked it with my tongue before sucking, savouring the taste of her juices as she started to writhe, her thighs clamping tightly against my head as I buried my face in her dripping slot.

"Oh that's it – don't stop!" she gasped as she more or less ground herself into my face, which was becoming slick with her juices. I gasped for air whenever I got the chance as Mel grabbed my head and, with one final grind, brought herself off on my tongue, her musky nectar filling my mouth as I gulped as much down as I could.

After she'd come down I was desperate to get my cock back inside her again, and she was of the same mind. I gazed down at her gorgeous, naked body as I pushed my prick towards her lubed-up hole, which it slipped into with ease.

This time round she seemed to be happier with a steadier pace – I was in no great hurry to come again, and was happy to savour the feeling of her slick pussy walls as my cock ploughed away between her slippery lips.

"Mmm, I could do this all day," she moaned, as she reached down to play with her clit, and as she did so I started to up the tempo, driving harder and harder into her as she started to groan, a second climax clearly approaching. When it came I was taken aback by the way she convulsed and wailed beneath me, although thinking back, I really shouldn't have been, given how many times I'd heard her through the wall!

As her pussy spasmed around my prick I knew I was getting close myself. "Shall I pull out again?" I grunted, but Mel didn't bother answering – she just wrapped her hands round my arse and pulled me deep into her as I came, flooding her sticky hole with our mingled come as my climax took hold.

A minute or two later, as we lay panting next to each other, I said I wouldn't mind if the lockdown went on forever and Mel laughed, saying she wasn't sure about that, but that she'd make

Well what better way to help improve the nation's flagging spirits in these difficult times than an opening set of the scrummy Kiki Daniels, who's gone from newbie to firm *Mayfair* favourite in the last couple of years. But how's the girl herself been coping with all this lockdown business?

"Well luckily for me I'd just hooked up with a new fella, and when lockdown was imposed we decided we'd spend it together! He really loves eating pussy, so to be honest I've been quite enjoying these last couple of months – and from the near permanent grin on his face, I think he probably is as well!"

It's alright for some, innit?!

LUST WILLIAMS

Dear *Mayfair*,
What a delight to download your latest issue to find that the opening set was none other than Bexi Williams, who's been without a doubt my favourite top shelf model since she first appeared in *Mayfair* a few years ago. She's still looking as hot as ever, and her all-natural boobs are perfectly proportioned to compliment her svelte, athletic figure. I see you've done a few digital issues devoted to specific girls on your website, and was wondering if perhaps you might be able to do one dedicated to Bexi – I'm sure it would go down well!

Colin, Maidenhead.

sure she made the most of this – grabbing my cock – while it did. And I'm delighted to say that's exactly what she has done!

WATER PARK PERK

Dear *Mayfair*,
Now that it looks like we're all going to be stuck at home this year, I've found my mind travelling back to last summer, when a couple of mates and I headed off for a holiday on Crete. We were all single at the time (in fact we still are), and we decided we'd do everything we could to make the most of it, if you know what I mean.

On the second day we decided to visit a nearby water park and spend a couple of hours mucking about on the waterslides and checking out the fit girls in bikinis there.

It wasn't long before the first bikini-clad beauty caught my eye. A dark-haired, pretty girl came whizzing down the slide, legs akimbo *(Ahem, only arms can be akimbo, unless she was triple jointed or something – pedantic Ed.)*, the force of the water cramming her bikini up into her crack. I watched as she climbed off the slide and fiddled with the material that was now firmly lodged between her shapely butt cheeks.

After fixing her bikini arse sandwich she walked past me on her return trip to the slide.

"How much did that bikini cost?" I asked.

"20 euro, why?" she replied.

"Well I think you just ate ten euros of it!"

She giggled and jogged off to join her friends. I eyed that gorgeous bottom as her buttocks bounced from side to side and pondered how I'd like to wedge something of mine in her rump.

Screaming, she soon descended the slide again. This time she turned away so her arse was directly in front of me as she tinkered with her bikini. I knew this was for my benefit.

"You fancy a drink at the hotel bar later?"

"Sure," she replied.

"I can advise you on how to avoid getting a bikini cram," I said with a cheeky smile.

"Why would I want to do that, it's part of the fun isn't it?" she smiled.

When we met that evening I became aware that not only did she have the most perfect derriere, but a pair of fantastic tits to match. All these beautiful fleshy mounds were packaged into a nice sexy parcel, and all I wanted to do was open my present. We chatted into the early hours and got pissed on ouzo. My cock had been up and down in my trousers all night looking at her fit body, and I think she had noticed.

"Fancy a late night dip in the pool?"

"Hell yes!" was my immediate reply.

We slipped off our clothes and jumped into the warm pool. Rose swam up to me and pushed her gorgeous tanned breasts against my chest. Her hairy black quim pressed against my cock, which sprang instantly upwards and nestled in her pussy. She reached down and began stroking my cock until it was hard like a baton, and our lips locked in a fierce tongue fight. My hands moved up and over her tits and then slid down her back and grabbed her buttocks.

"You like my bottom don't you?"

"God yes, I've been watching it all day, it's fucking fantastic!"

With that she turned around in the pool, positioned my cock between her legs and pressed back, her pussy lips wrapped around the tip of my knob like a little juicy hat. She moved her hips backwards and forwards, wanking my cock with her inner thighs clamped around my rod. I could feel my shaft passing through her butt cheeks and poking out between her flaps – it felt great, but I wanted more. I wanted admittance to her hole. Guiding my cock towards her butt hole, I paused for a moment in case she wasn't keen, but she pushed back onto my throbbing cock so I knew it was fine. My dick skewered her dark star. It felt tight as she pushed back further and for a moment I was anxious she might tear my poor cock, but her arse cheeks settled against pubes and I was in. It felt terrific as her sphincter gripped my cock like a vice and she began thrusting her hips backwards and forwards.

My hands reached around her waist and my fingers started playing with her clit as she pumped my cock into her anus. She moaned with each driving thrust and the water splashed and sloshed around us as I frigged her clit. Harder and faster I flicked and rubbed at her soft cunt nipple as her pumping became more excited and her tits bounced around like they were trying to escape from her body. Rose's arse slammed into my groin again – we fucked for what seemed like ages, and it took all my self-control not to fill her arse with come sooner, but I couldn't hold off any longer.

With a wave of ecstasy, my cock went rigid and pumped out jets of hot come. Rose stopped pumping and gasped as my hot spoo filled her anal canal, blob after blob shot out until I had no more left.

She slipped off my cock and turned to face me. Kissing me on the lips she invited me back to her room. Suffice to say, I accepted the kind offer and was awarded with another awesome session in Rose's derriere.

Gary, Derby.

CHIKITA

Photographer: Dazglam

From the relatively newly-discovered charms of Kiki in our opener, we thought we'd see if a nailed on *Mayfair* fave of a few years ago might fancy shooting for us again because, in all honesty, we'd never quite got over Chikita and her stunning figure! And what do you know – she said yes! Still only in her early 30s, she looks easily as hot as she ever did – if not hotter, and those glorious boobs of hers, complete with their 'innie' left nip, are just as succulent as they were 10 years or so ago! Remember 10 years ago? When you could walk the streets without fear of death and, well, feast your eyes on Chikita here!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

SEGWAY **NINEBOT ES2**

Now I know we're all (well nearly all of us!) trying to do our best to follow government guidelines by staying at home/going to work/using public transport/avoiding public transport/visiting beauty spots to test our eyesight/getting the wife to drive/coughing directly into the faces of passers-by/wearing hazmat suits*, but one rather thorny issue in all this is if we're supposed to be going to work, how do we do it? Thanks to congestion charges and pollution, driving's not really the best option in lots of cases, while venturing onto a bus/train still seems a bit, well, iffy. But if you're journey's just a bit too long to be walkable, and your legs/lungs aren't really up to cycling, then why not try a rechargeable scooter? Once upon a time scooters were the preserve of kids who hadn't quite got the hang of skateboards, but these days you can barely step out of your house without some besuited type whizzing past you on his, and so if you can't beat them, maybe it's time to join them? Segway made their name with a rather peculiar mega-scooter type thing, and somehow managed to hang onto their reputation despite their owner accidentally riding his machine over a cliff, with fatal consequences. But this kind of scooter seems a lot more sensible than their earlier creations, not least because it can fold up small and be stowed/carried with ease when not in use. There are numerous varieties on the market, but we reckon Segway's Ninebot (don't ask) ES2 is a pretty good place to start for the average I-don't-want-to-be-a-boring-pedestrian. Shock absorbers mean the ride is relatively comfortable, despite the pretty tiny wheels, and while the top speed of 15.5mph isn't exactly Formula One, it's still going on 3 times faster than walking. It'll get you up a modest slope with relative ease, and downhill, of course, is a doddle. On a full charge (which takes 3.5 hours) the average range is reckoned to be 15.5 miles as well, so you'll get an hour out of it if you have it working all the time – but of course you can still use your spare foot to give it a, umm, hand – if only to avoid standing starts. It's even got Bluetooth and an app!

SAMSUNG **THE FRAME**

Unless you're one of those people who watches the telly ever hour God sends, then the chances are that for much of the time your TV, quite likely the most expensive piece of kit in your living room, is basically a big black eyesore, hogging a corner of the room where you could have something altogether more eye-pleasing. TV's are thin these days, and don't take up much actual room, but the bigger the screen, the bigger the big black oblong hogging a slab of your room. But how about if you could hide the telly away when you weren't using it - wouldn't that be a thing? Well what do you know – it IS a thing, thanks to Samsung's The Frame, which makes the most of the fact that TV screens are now so thin to basically disguise one as a picture you'd hang on the wall. The Frame comes with a selection of artworks pre-installed for you to chose from, or you can use a picture of your own or buy a masterpiece from their store, so if you fancy a Van Gogh, then Vince's you're uncle. Alternatively there's an ambient mode, which allows you to blend the screen with your own wall colour, or give you a selection of other relaxing options for when you're not gazing at the gogglebox. And talking of boxes, for the sake of connectivity you get the OneConnect Box which needs to be squirrelled away somewhere – this is where all the actually functionality comes from – Netflix, Cable, USB, YouTube etc, and while the telly itself isn't exactly a world-beater in terms of picture quality, it's still 4K and plenty good enough for regular viewing purposes. Sound's pretty good too, although as per most thin tellies, a soundbar beefs things up nicely.

"My husband will love them, he's football mad!"

A man visits his doctor. "I think I have a problem, doc," said the patient. "One of my balls has turned blue."

The doctor examined the man briefly and concluded the patient would die if they didn't have his testicle removed.

"Are you crazy?!" exclaimed the patient. "How can I possibly let you do such a thing to me?"

"Do you want to die?" asked the doctor, and eventually the patient had to agree to have his testicle removed.

But two weeks after the operation, he came back.

"Doc, I don't know how to say this, but the other ball has turned blue too."

Again, the doctor told him that if he wants to live, his other testicle must be cut off too. And again, the man was very reluctant.

"Hey, do you want to die?" asked the doc, and the patient had to agree to the operation.

But, about two weeks after he is testicleless, he returned to the doctor. "I think something is very wrong with me. My penis has now turned completely blue."

After briefly examining the patient once again, the doc gives him the bad news. If he wants to live, his penis has to go as well.

Of course, he did not want to hear about it. "You really want to die?" asked the doctor.

"But... how do I pee?"

"We'll install a plastic pipe, and there will be no problem," replied the doctor.

So, the penis is removed, but a couple of weeks after the operation, the unfortunate man again returned the doctor's surgery. This time, he is very angry indeed.

"Doctor, the plastic pipe has turned blue!"

"What?!"

"Can you tell me what the hell is happening?"

So, the doctor examined the patient more carefully this time, and finally said, "Hmmmm, tell me – have you bought some new jeans recently…?"

A policeman was patrolling a local beauty spot. He drove by a car and saw a couple inside with the light on. There was a young man in the driver's seat reading a magazine and a young lady in the back seat knitting. He walked up to the driver's window and knocked. The young man cranked the window down, and said, "Yes Officer?"

"What are you doing?" the policeman asked.

"What does it look like?" answered the young man. "I'm reading this magazine."

Pointing towards the young lady in the back seat, the officer then asked, "And what is she doing?"

The young man looked over his shoulder and replied, "What does it look like? She's knitting."

"And how old are you?" the officer asked the young man.
"I'm 17," he replied.

"And how old is she?" asked the officer. The young man looked at his watch and said, "Well, in about 12 minutes she'll be 16."

A professor was giving a lecture on involuntary muscular contractions to his first year medical students. Realizing that this was not the most riveting subject, he decided to lighten the mood. He pointed to a young woman in the front row and asked, "Do you know what your arsehole is doing while you're having an orgasm?"

She replied, "Sure I do. He's usually playing golf with his stupid friends."

I took the shell of my racing snail the other day, thinking it would make him go faster, but if anything it made him more sluggish.

Not satisfied with getting her kicks by showing off her flawless bod in naughty magazines, Tina's also turned her hand to a good few filthy flicks – and she's also started to direct a few as well; but which does she prefer – being in front of or behind the camera?

"Ha – they're both fantastic, to be honest. It kind of depends when you're in front of the camera. Sometimes you can really go for it without the director interfering, and then it's tremendous. When I'm directing myself, I try not to interfere too much, so none of that animal intensity gets lost."

We've seen comparatively little of Bex White since she made her first appearance in volume 50, which is a pity because… well, take a look at her and you can see for yourselves why it's a pity! Still, going by the principle that a little of what you fancy is never a bad thing, we're still happy enough to feature her whenever she fancies popping in for a shoot because, well, we do fancy her! Especially if she's going to go to the effort of getting dolled up in such a fine lingerie combo for our benefit!

So while the news might be full of doom and gloom again this month, at least we've got Bex here to remind us of the things that make life worthwhile!

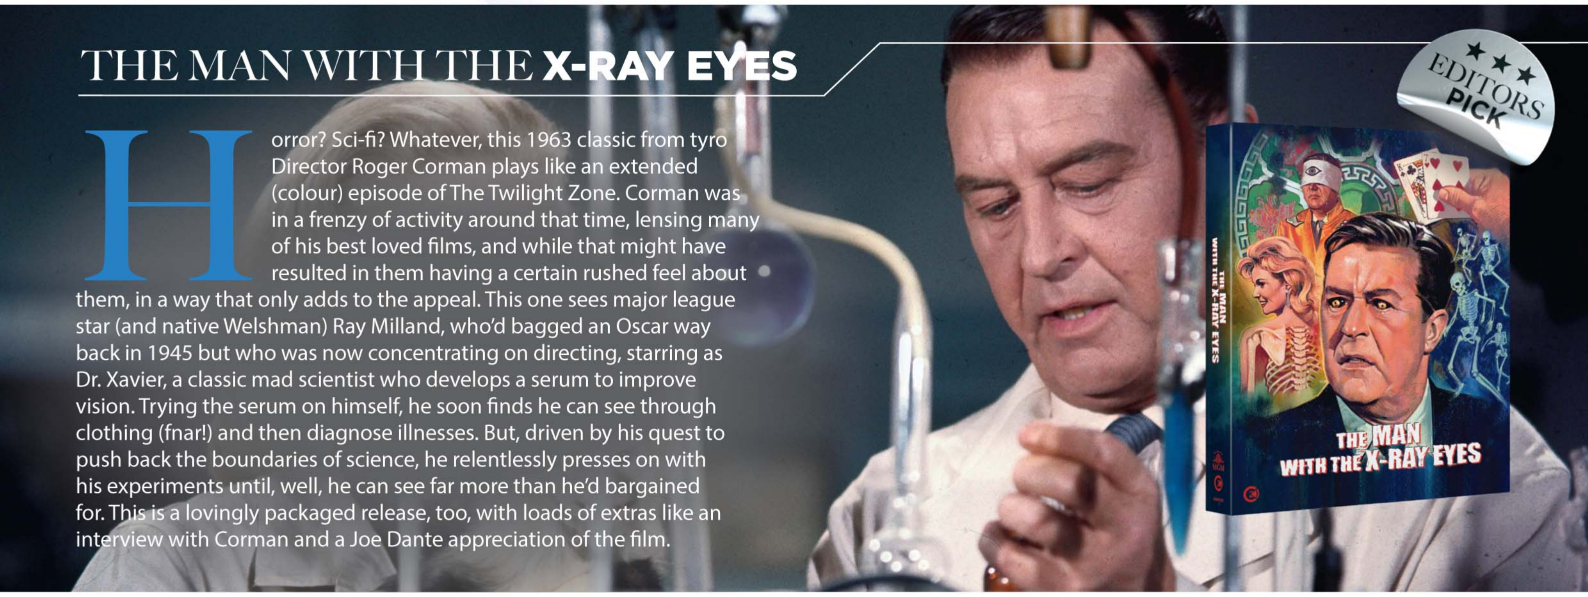
SCENE from MAYFAIR

We're not sure what sort of lockdown will be in place when this issue goes on sale, but it it's a sure bet we'll all be stuck at home a good bit - so it's another double bunce!

THE MAN WITH THE X-RAY EYES



Horror? Sci-fi? Whatever, this 1963 classic from tyro Director Roger Corman plays like an extended (colour) episode of The Twilight Zone. Corman was in a frenzy of activity around that time, lensing many of his best loved films, and while that might have resulted in them having a certain rushed feel about them, in a way that only adds to the appeal. This one sees major league star (and native Welshman) Ray Milland, who'd bagged an Oscar way back in 1945 but who was now concentrating on directing, starring as Dr. Xavier, a classic mad scientist who develops a serum to improve vision. Trying the serum on himself, he soon finds he can see through clothing (fnar!) and then diagnose illnesses. But, driven by his quest to push back the boundaries of science, he relentlessly presses on with his experiments until, well, he can see far more than he'd bargained for. This is a lovingly packaged release, too, with loads of extras like an interview with Corman and a Joe Dante appreciation of the film.

BUSTER KEATON 2

One of the maestros of silent cinema, Keaton was for a long time almost lost to us – his films so grainy and flickery that they were barely watchable… but not any more! These newly restored releases from Eureka look dazzling, even on a biggish screen, and allow us to marvel once again at the ingenuity of a cinematic pioneer in his prime. Of the three films here, *The Navigator* is probably the pick; it sees a wealthy but clueless Buster cast adrift on a liner with the equally inexperienced Betsy O'Brien, and they find themselves in all sorts of tremendous scrapes before falling for each other. *Battling Butler*'s another corker in which our stony-faced but weedy hero is faced with a boxing match against 'The Alabama Murderer', while the 95 year old climax of *Seven Chances* is still a joy to behold. Magnificent stuff, and gloriously presented here.

THE NEST

Martin Compston will be a familiar face to viewers thanks to his turn as Steve Arnott in *Line of Duty*, but in this outing he's allowed to settle back into his natural, Scottish, accent as he plays Dan, a spivvy Glasgow property developer who's doing very nicely for himself, with a lovely gaff overlooking Loch Lomond and a beautiful wife Emily (Sophie Rundle). The only thing the couple lack – and desperately want – is a baby, and following a final, failed attempt at IVF the pair chance upon Kaya (Mirren Mack), a troubled 18-year-old with a complicated history, who offers to act as a surrogate for them. Well, if you think that sounds like a recipe for disaster you'd be right, but it doesn't stop the couple going for it, and a things unravel we're presented with the stark duality of Scotland's second city and a gripping tale of relationships unwinding.

THE GREEN MAN

Here's an irresistible slice of black comedy from the golden age of British film, that was perhaps (and rather unfairly) put in the shade a bit by the previous year's *The Ladykillers*. Alastair Sim (whom, let's be honest, Alec Guinness basically impersonates in *The Ladykillers*) this time stars as Hawkins, a hitman who's been hired to do away with a philandering businessman (the splendid Raymond Huntley). Having found out his prey's off for a naughty night at the titular hotel with one of his firm's typists, Hawkins sets off with a bomb hidden inside a radio set in order to accomplish his dastardly deed – but things don't quite go to plan. Support comes from the ever reliable Terry-Thomas and George Cole (Sim's ward, who often cropped up in his films), with other familiar faces like Richard Wattis, Dora Bryan and Arthur Lowe also pitching in and making this a much-loved film. This newly-restored release comes with a few nice bonuses, too, including a profile of Sim by none other than Stephen Fry.

FLACK SERIES 2

Let's face it, there's more telly knocking about these days than ever before, and it's all too easy for a classy series to fall through the cracks a bit – which is why I'm here to tell you about *Flack*, which might not have cropped up on your radars at all thanks to it being squirrelled away on a channel called W. Anna Paquin's back as Robyn, a PR troubleshooter who always seems to have her hands full dealing with the latest misdemeanours of the celebs on her book. With the scope it offers for guest appearances (the likes of Sam Neill and Jane Horrocks crop up this series) it's a great concept for a show, and with more than able cast support in the agency from the likes of Sophie Okenodo and Lydia Wilson, there are always plenty of zingers and crackling sub-plots to keep you entertained. Definitely worth a shufty – and there's a series 1 and 2 boxset available too.

THE SPECIALISTS

Once in a while you fancy a big helping of Spaghetti Western, and here's one that fans of the genre will be chuffed to see getting a spanking new 4k restoration. Director Sergio Corbucci, best known for the iconic *Django*, definitely knew how to put a stylish Spaghetti together, and with this one he's got France's foremost (or should that be 'only'?) rock'n'roll legend Johnny Hallyday as his leading man. It's a nicely-crafted plot that sees Hallyday playing Hud Dixon, a gunslinger who heads into the town where his brother was lynched for a bank robbery he didn't commit. Needless to say, Hud's bent on revenge, but there are plenty of secrets to be unearthed along the way before the guilty parties can get their comeuppance. Being a multilingual cast, the dubbing's a bit here and there (and best forget the English dub altogether), but that's par for the course with any Spaghetti worth its salt, and this is a fine example with plenty of bonus material to keep fans happy.

HOLLY

Age: 30 **Vital Stats:** 32E-25-34 5'3"

It used to be a bit of a joke around the office; whenever anyone asks which model we hadn't seen for a while, someone would always pipe up with 'Holly Gibbons!' just because, well, just because we always want an excuse to get her in and while away a few more wonderful hours in her company… and in the company of one of our all time favourite bods! Well, that meant that we'd often have a set or two of Holly knocking about more than we could use at the time – but hey, then along comes a deadly global virus that means we can't shoot her for a while and lo! We've got a spare set in the can. See, every cloud and all that, eh?!

So here's the first of two slightly MILFy themed offerings this issue – let's face it, in these uncertain times, we could all do with a bit of motherly love – especially if it's anything like the love the sploshers in this flick are dishing out. The Matriarch of some sort of crime syndicate in question is Monique Alexander, who cuts quite a dash with her purple hair and nails, although the first proper scene sees Anya trying to get her boyfriend to man up a bit using the interesting tactic of putting on a lesbian show with Ana Foxxx. Oddly it doesn't work, so the girls set to on their own in a nice pairing that sees Ana's ebony charms nicely offset by Anya's altogether pastier allure. Anya's back for scene two, in which she shares a lucky woodsman with Monique, the pair of them draining his balls with real aplomb in the films strongest episode. Well put-together Ryan's clearly no slouch when it comes to taking a dicking either, before Monique pulls rank with a DP that ends rather nastily for her would-be usurper.

CAST
ROMI RAIN
BECKY BANDINI
LONDON RIVER
KATY JAYNE

I'm not sure 'Hotwives' is a real word – maybe it's a translation from German or something – but in any event, I think I get what they're driving at – and just in case anyone's too thick to get it, the cover image of Romi Rain and her magnificent milkers should leave you in no doubt. And it's Romi who's first up to the plate, snogging a bearded stud before whipping out her whoppers and letting him have a suckle. A bit of mutual oral fun lead us into a great doggy, which shows off her round arse to perfection. Having worked their way through a few more positions our lucky stud squirts his load all over those famous boobs. Our very own Katy Jayne is next up, and this time it's her snizz that provides the fur rather than the stud's chin. There's a grand reverse cowgirl that sees our Katy bouncing up and down for all she's worth, before a nice extended mish sees us out with more breast basting. Blonde London River ('Thames' to her mates) and brunette Becky don't let the pace flag one jot in the remaining two scenes.

ALICE JUDGE
ALEXXXA VICE

MISHA CROSS
TANYA VIRAGO

There's no getting away from sexy women with tattoos these days, is there? Sometimes I find myself being chased down the road by hoards of them *(I doubt that! – Ed.)*, but they always get you in the end, and here, courtesy of Harmony, is another cavalcade of coloured-in cuties getting cocked! I don't know what it is tattooists put in that ink, but it certainly seems to have the effect of turning women into ferociously uninhibited nymphos, as is clearly demonstrated in the opening scene, which sees stud Jay having a whale of a time with blonde Tanya and redhead Azura. It's another threesome to follow, in which Alexxxa Vice lives up to her name with relish (and nut-butter), by taking a solid back-scuttling as she tucks into Azura's snizz. After a lesbo pairing we get to the films strongest scene, which sees Pascal take on three technicolour temptresses in a no-holes barred frenzy. And still there's more, with Alice and Misha keeping things filthy to the final frame.

ELLE

Age: 25 **Vital Stats:** 32DD-22-32 5’1”

Photographer: BBM

Elle Hunter made her *Mayfair* debut at the end of last year, so we were keen to find out what – if anything – had changed for her since then…?

"Well, things have changed a little bit, I guess, yes! Probably the main thing has been in myself – having been in *Mayfair* has given me a bit more confidence, I think, which means I seem to be attracting a better sort of bloke these days! I've been out with some right twonks in my time, but I'm giving those sorts the swerve now, and it seems to be paying off. Give me another couple of appearances in *Mayfair* and I'll probably only date members of the aristocracy!"

Hmm, well we hear they're a load of nobs as well.

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Having found myself in a bit of a dead end job, I decided to go to Uni as a mature student, although at only 25 I wasn't that long in the tooth. To help pay the fees I got a job as a barmaid in a pub and guest house. I loved it from the beginning, as the landlady, Bev, not only paid pretty well but was easy to work for.

Being new, I kept my head down for the first few days, but as the week went on I found myself striking up a friendship with Bev. We worked hard over the weekend but by Sunday closing things has cooled down and once we had tidied away the last of the glasses Bev invited me to have a drink with her.

We sat at the bar and clinked our glasses, toasting my first week's work, and a couple of drinks later we were beginning to get a little drunk. She was a new friend, but I already felt a strong connection with her.

Bev was beautiful and even though I wasn't usually attracted to women, I definitely was attracted to her. She had long dark hair, grey eyes and a beautiful smile. Her body was amazing. She was tall, toned yet curvy, and had gorgeous large breasts. I envied them a little as mine are not full as hers but I have an hourglass figure which makes me look sexy, and I suspected she just might be as attracted to me as I was to her.

It was getting late, and, saying she was worried I'd had too much to drink, Bev offered me a bed for the night. When she showed me the bed and I realised it was hers, it became plain that she was hoping share it with me. I was not too surprised as we had been holding hands for the past half an hour and the feel of her soft skin and her feminine scent was beginning to make me feel dizzy with excitement. I wanted to touch her and kiss her. I had to shake my head to clear the wild imaginings stirred up by her offer just long enough to thank her.

Rummaging through her drawers she looked for something for me to wear, and soon pulled out a slinky black nightie. As she began to undress, I started to do likewise, but did not get very far as I could not stop watching her. As she stripped naked her gorgeous olive skin glowed in the lamplight and her large nipples stiffened. Watching her excited me, and when Bev noticed me looking her over she came over to help me undress.

Name: GINA
Age: 26
From: BATH

My body tingled where she touched me and I tentatively reached for her, the feeling of her soft warm skin making me quiver with excitement. I laid my cheek against her perfectly rounded tits as she gently pulled at my nipples. Beautiful sensations of arousal tingled through my body at her touch. My legs felt weak at the knees and my pussy throbbed with need.

We lay down on her bed and she rolled me onto my back and straddled me. She kissed me softly on my lips, then made me moan in ecstasy as she licked her way down my body toward my pussy. Parting my legs, Bev spread my labia and began to lick my soaking wet slit. I grasped the bedclothes, twisting them in my fists as she sucked hard on my clit, pushing me close to orgasm. As my pussy begin to spasm, and still tonguing me, Bev reached in under her pillow and pulled out a large rubbery dildo with ridges along the shaft.

> "PARTING MY LEGS, BEV SPREAD MY LABIA AND BEGAN TO LICK MY SOAKING WET SLIT."

Raising her head from my neatly trimmed little bush she licked the top of the dildo, lubricating it before sliding it slowly inside me. Moving it in and out of my pussy while continuing to suck on my clit, she carried me over the edge, swirling her tongue across my clit until I climaxed again in a series of ecstatic wails. It was only when I had come down from the tremendous high of my orgasm that she rolled off me and lay beside me, smiling.

Snuggling into me, her lips parted and met mine, kissing me sweetly. Her tongue felt so different from a man's, thinner and

more delicate, and I savoured the way it played with mine as we French kissed. I could taste my own juices in our kiss and this made me feel very sexy indeed, so I turned to her and began playing with her tits, sucking on her nipples before moving down to her beautiful shaved pussy. I was intrigued and very turned-on by the fact that she had removed every hair from that area and I longed to lick and kiss her there.

Kissing her naked slit I licked along its length, pushing my tongue between her silky pink labia and tasting her sweet inner core. As I teased her pink pussy lips her clit stood erect, like a dark pink rosebud. Curling my tongue around it, I lapped at her clit making her love juices flow. Scooping them up, I once again ran my tongue along the length of her labia and then pushed it inside her and began tongue-fucking her hot wet hole as hard as I could.

Bev's breathing became ragged as her climax began to build, and as I enjoyed the sweet taste of her juices I pinched her clit, making her pussy go into spasm. As she came, her pussy clenched around my tongue.

The erotic blast of having made her climax sent me over the top as well. My pussy tightened, tingling and convulsing as I came along with Bev. I flicked my tongue inside her and back up to her clit, swirling it over her pulsing little nub while she ground it against my face. I could

"AS I TEASED HER PINK PUSSY LIPS HER CLIT STOOD ERECT, LIKE A DARK PINK ROSEBUD. CURLING MY TONGUE AROUND IT, I LAPPED AT HER..."

feel my pussy dripping I was so turned on by the taste and the feel of her, and once she had come, I lay back smiling contentedly as she ran her fingers lightly over my skin.

Now my shifts at the pub are the highlight of my week – or at least the hour or so after they've finished!

> **“I GRABBED AT HIS COCK INSIDE HIS TROUSERS AND STARTED TO RUB IT UP AND DOWN UNTIL IT GOT REALLY FUCKING HARD AND BIG.”**

Having recently dumped my useless boyfriend and deciding to make a clean break of things – and let my hair down for a while before settling down, I landed myself a new job in Bristol, which meant I was on the hunt for a flat, ideally looking for somewhere just for myself. I had registered at a few estate agents and you know what they're like – sell, sell, sell. But one of them took a real personal approach…

Anyway, it was straight after work and I had a viewing lined up – the estate agent was a really fit bloke called Darren. We'd had a couple of viewings already of places that hadn't been quite right, but we'd had a bit of flirting that made me think that it wouldn't be too long before we sealed the deal – one way or the other! The apartment he took me to this evening was perfect; this was the one for me! While in the kitchen, I caught a glimpse of myself in the window; I hadn't worn a bra and my shirt was made of very thin cotton so my tits and nipples were clearly on show. Darren couldn't take his eyes off them and, being the flirt that I am, I made sure they were on full display for him to eye. We chatted and flirted more as he showed me around – God, I fancied the pants of this guy.

Figuring that after all the teasing I'd given him on previous viewings this young hunk wouldn't look a gift horse in the mouth, I grabbed at his cock inside his trousers and started to rub up and down until it got really fucking hard and big, pushing my tongue into his mouth. He gave me a wide smile, undid his zipper and got his prick out there and then, brazenly asking me to get me on my knees and suck it. His cockiness got me hot and there was no stopping me as I was straight down there, tasting his dick. He pulled me up onto the bed – I was now on all fours almost panting with anticipation. He raised me further up on the bed and started licking from my clit right to my arsehole. It was heaven and a sure way of getting an instant orgasm from me. My goo was leaking out all over the place and he was just lapping it up! Suddenly, Darren grabbed my waist and pushed it down so my arse was right up in the air, exposed and on full display for him. There was a mirror handily placed on the wall in front of us so we could watch each other in action – Darren took his dick and slid it straight between my cheeks, I could feel him moving it up until it was resting on my ring, glazing it with my own juices, wondering if it was going to be allowed entry, maybe. I pushed my arse further into the air to let him know that I wanted it too, and his cock slid inside me, stretching me wider as his length filled my backside. He parted my cheeks a little more and slowly slid his cock in and out.

> “I PUSHED MY ARSE INTO THE AIR TO LET HIM KNOW I WANTED IT TOO, AND HIS COCK SLID INSIDE ME.”

His hands moved over my pussy and he pulled my lips apart and pushed his fingers in. Both holes were being fucked and I was all over the place.

Name: LEAH
Age: 29
From: BRISTOL

The next thing I know, he'd grabbed the remote from the side of the bed and turned on the TV – much to my disbelief there was a porn film playing; two girls on all fours with a guy behind them both fucking their alternate arseholes – I was really getting excited, the dick on screen was massive and he was really hammering home up their rings. Darren must have set this up especially for me, guessing (rightly) that after our previous flirting I'd be well up for it. He took hold of both my

buttocks and pulled me as wide open as I would go, thrusting hard up my arsehole, his balls slapping against my clit. In the mirror, I could see the sweat dripping from his face as he put everything into making me come.

"Watch the screen, babe," he kept saying. In the mirror was the sight of the two of us fucking doggie-style, while on screen the two girls were now taking it in turns to squat over the mammoth cock, wrapping their anuses round its length as the other girl used her fingers on her pussy and sucked on Big Dick's balls. I reached back over my shoulder to grab at Darren's dick pumping into me – I wanted to feel it with my hands, to grab it, to push him deeper inside me. Darren took hold of my arm and held on, reaching forward for my other arm until he was pulling me back onto him and getting his cock as deep inside my arse as possible.

We came together, his dick as far up my arsehole as any had ever been before, his spunk gushing into me. When he had filled me full of come, he let go of my arms and I went back on all fours as he rubbed his dick over my pussy, smearing his come from my arse onto it, gently slapping my buttocks with his dick as we admired ourselves in the mirror and watched Big Dick shoot his spunk into the willing porn girl's faces.

What a viewing that was! Needless to say, I put a deposit down that day and moved in the following week. What a way to start your single life in a new town. Darren comes round once a week these days, just to make sure I'm doing alright…

NINA

PHOTOGRAPHED BY SIWER OHLSSON

Looking at the sophisticated beauty of Nina Pickersgill, it is hard to imagine that this attractive 19-year-old began her modelling career outside the public conveniences in Beckenham High Street. She was asked by the *Beckenham Journal* to pose with an exotic cocktail in front of a palm tree which had been planted outside the conveniences. 'Someone had noticed me in a local beauty contest.'

Flushed with pride, so to speak, after her first assignment, Nina went on to pose her striking 36–24–36 figure for amateur photo clubs, where her charms tended to distract members from the job in hand. 'I didn't enjoy that much because they tended to ogle me, and I noticed that their cameras did shake rather a lot. I was a bit embarrassed. But it is different with a professional lensman like Siwer Ohlsson.' When Siwer was introduced to Nina he recognised her great potential and whisked her away to the Canary islands for a week – a far cry from Beckenham High Street. Nina would like to pursue a career in modelling, but she hopes one day to make a name for herself in show-business. 'I would enjoy doing acting and singing.'

Classic MAYFAIR

Hmm, a rather far-fetched blurb that would have us believe Nina here started her career outside the bogs in Beckenham! Well, at least she made her way into Mayfair, which is the main thing. Anyone know if she got to do any acting and singing...?

Nina was born in Croydon, but now lives in Orpington. From the age of five until she was 13, Nina went to a boarding school which she disliked at first but grew to enjoy until she was eventually sad to leave. 'It was a lonely place and I felt cut off. When I left I had trouble with simple things like getting a train or catching a bus.' After the boarding school, Nina went to Hawes Down comprehensive in West Wickham, but left before her 16th birthday to train to be a hairdresser. She has now returned to hairdressing and works at Trimmers in Bromley, but before that she worked for a spell for racetrack catering companies with her mother. 'I met all sorts of people from the top hat and tails brigade at Ascot to the brown ale type. But both ends of the social scale would tip me.' In turn we'd tip Nina as one of those models who will succeed.

MAYFAIR

Vol.55 No.05

On Sale Aug 4th

I don't know about you, but I'm starting to get a bit cheesed off with things these days – I had all sorts of great plans for this year that have all been ruined (well, OK, going to the pub was most of them, but each to their own, eh?), and, as I type this, there's still no real end in sight. Still, it's at times like these that it's important to remember the things that are really important in this life, once all the fripperies of modern existence have been stripped away… that's right – it's sexy women taking their clothes off – and we've got a load more next issue, including newbie Atlanta!
